Here enclosed are the documents relating to the changes in the way that the NT wishes to manage the common at Brancaster:

1. Letter from the NT introducing their proposed changes.
2. The NT proposals.
3. Map showing NT claimed areas of the common.
4. Draft letter from SH&DCRA introducing the Association commentary on the NT proposals.
5. Draft additions/changes to the NT proposals.
6. BCC rules, which represent the present situation, for comparison.

To graze:

Cattle

Horses

Geese

What seems to come through from your individual suggestions is that; any new agreement should not leave the SH&DCRA with worse terms than those which already exist; it is the NT that are seeking changes but have offered no explanation as to why.
Hopefully we can meet soon after Christmas to come up with our final response.

Regards,

Rod

Sec. SH&DCRA.
